WHO: The Associated Businesses of the Culture District is a not-for-profit business association dedicated to the improvement of the cultural district and the economic health of the associated members. Founded in June 1991 as a grass roots organization the membership includes small and large shops, major corporations, services, restaurants, banks, museums, property owners, and other interested parties.

WHAT: We strive to make the Cultural District the most attractive location in Fort Worth. The membership promotes a clean, safe, fun, and pleasant place to live, work, shop and do business. We take action on important issues and concerns affecting the area. For example, we were instrumental in stopping paid parking at Will Rogers Memorial Center, getting the Trinity River Bridge painted, promoting additional landscaping on Camp Bowie, and redesigning the six-point intersection at West Seventh and University Drive. We also publish a Visitors Guide that is printed in excess of 100,000 copies and distributed at more than 280 locations including hotels, motels, car rentals, military bases and tourist attractions throughout the Greater Fort Worth/Arlington area and at Texas State Tourist Centers throughout Texas. Advertising in this guide is **open only to members of the Association of Businesses in the Cultural District.**

WHEN: **NOW!** Our dynamic district is booming with new development expansion. Important future changes are being considered and you can help influence these decisions by your voice in our organization. **JOIN NOW**

WHERE: Our meetings are usually held on the third Tuesday of the month. We meet at one of our member's establishments or at the Botanic Gardens. Light refreshments are served from 5:30 to 6.00 pm providing time for social visits and networking. A business meeting and a program featuring speakers of local and regional interest are held from 6:00 to 7:00pm. Our monthly newsletter highlights program agendas and indicates the location of the upcoming meeting.
